

ENGIMA'S MARCH ISSUE

Eng Nour Morshedy graces the cover of eniGma's March issue, embodying bold leadership, innovation, and balance.

As CEO and owner, she has expanded Morshedy Group and preserved its legacy, all while embracing the challenges of being a mother of two.

In an exclusive conversation with enigma, she opens up about navigating the real estate world, breaking barriers in a male-dominated industry, and her vision for the future.

FORBES MIDDLE EAST

MR. MOHAMED MORSHEDY

FOUNDER & OWNER MORSHEDY GROUP

For the second year in a row, Mohamed Morshedy—founder of Morshedy Group—has been named one of Forbes Middle East's 100 Most Impactful Real Estate Leaders in MENA.

With 21 mega projects and an integrated in-house model spanning architecture, engineering, and construction, the group continues to raise the bar in ambitious, environmentally conscious development.

This recognition isn't just about numbers, it's about vision, consistency, and delivering projects that stand the test of time.
